

## The Windows Vista Flip 3D Activator 1.0.1.15

[http://notj.net/flip3d/windows\\_vista\\_flip\\_3d\\_activator.html](http://notj.net/flip3d/windows_vista_flip_3d_activator.html)

The Windows Vista Flip 3D Activator is a tiny utility for Windows Vista and Windows 7

### More details:

1. You can designate one or more corners of your screen as hotspots.

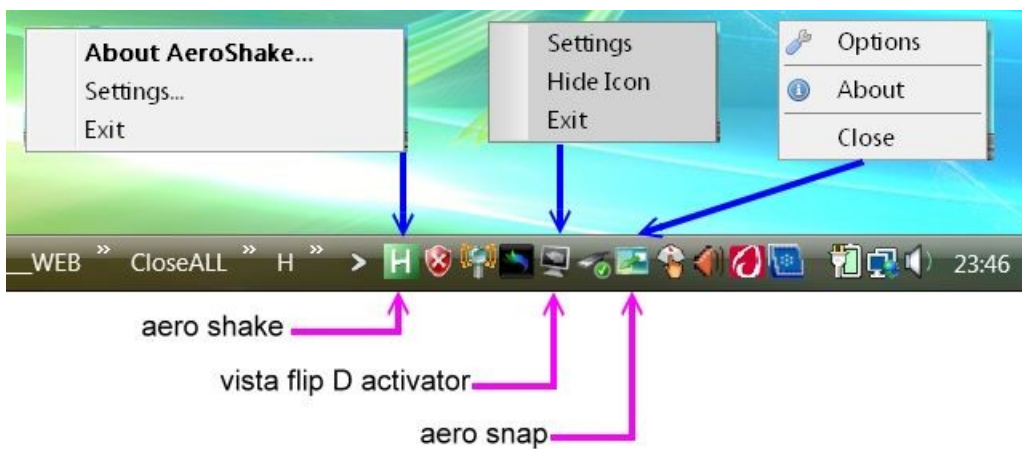

A l'installation une icône s'installe sur la barre de lancement rapide

Un clic droit donne un petit menu

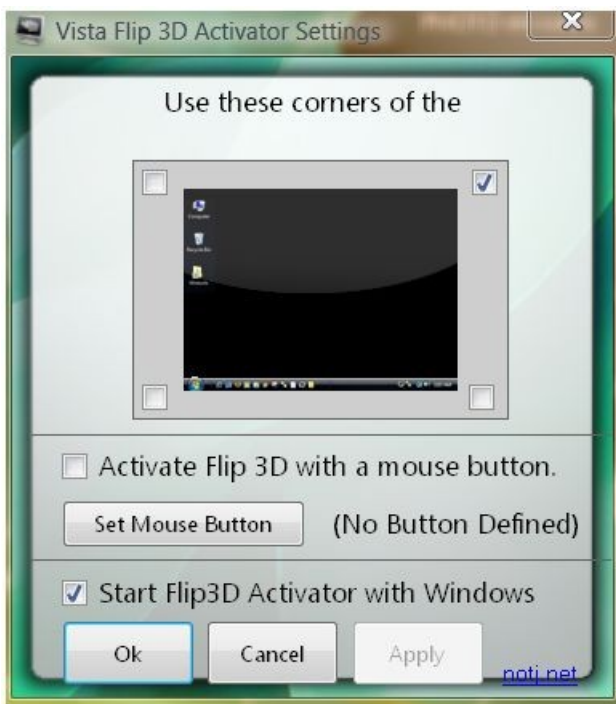

Settings (j'ai sélectionné le coin haut droit)

Hide icon

Exit

la barre de  
lancement rapide

J'ai sélectionné le coin haut/droit
